THIRD QUARTERLY RESULTS ANNOUNCEMENT
FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2017

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)
OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK
EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

*This announcement, for which the directors (the “**Directors**”) of Basetrophy Group Holdings Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of the Stock Exchange for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this announcement misleading.*

The condensed consolidated financial statements are presented in Hong Kong dollars (“**HK\$**”), unless otherwise stated.

(b) Reorganisation

Prior to the completion of the reorganisation (the “**Reorganisation**”) as described below, the Listing Business was carried out by Workbase Engineering Limited (“**Workbase Engineering**”), a company incorporated in Hong Kong (the “**Operating Company**”).

In preparation for the Listing on the GEM, the Group underwent the Reorganisation to transfer the Listing Business to the Company principally through the following steps:

- (i) On 20 November 2015, Wide View Enterprises Limited (“**Wide View**”) was incorporated in the BVI with limited liability. On 11 January 2016, one fully-paid ordinary share of Wide View, representing the entire issued share capital of Wide View, was allotted and issued at par to Brightly Ahead.

2 Basis of preparation and presentation

The unaudited condensed consolidated financial statements for the nine months ended 30 September 2017 have been prepared in accordance with Hong Kong Accounting Standards (“**HKAS**”) issued by the Hong Kong Institute of Certified Public Accountants (“**HKICPA**”) and the applicable disclosure provisions of the GEM Listing Rules. The condensed consolidated financial statements should be read in conjunction with the Company’s combined financial statements for the year ended 31 December 2016, which have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the HKICPA, as set out in the prospectus of the Company dated 14 June 2017 (the “**Prospectus**”).

The companies currently comprising the Group, were under the control of Mr. Lau and Ms. Yuen, immediately before and after the Reorganisation. For the purpose of the unaudited third quarterly financial results, the financial results for the nine months ended 30 September 2016 have been prepared on a combined basis.

Immediately prior to and after the Reorganisation, the Listing Business was carried out by the Operating Company. Pursuant to the Reorganisation, the Listing Business was transferred to and held by the Company. The Company has not been involved in any other business prior to the Reorganisation and does not meet the definition of a business. The transaction is merely a reorganisation of the Listing Business with no change in management and the controlling shareholders of the Listing Business (the “**Controlling Shareholder(s)**”). Accordingly, the combined financial statements of the companies now comprising the Group is presented using the carrying values of the Listing Business for all periods presented, as if the current group structure had been in existence throughout the periods or since the respective dates of establishments of the companies comprising the Group, whichever is earlier.

Inter-company transactions, balances and unrealised gains/(losses) on transactions between group companies are eliminated on consolidation.

MANAGEMENT DISCUSSION AND ANALYSIS

Business Review

The Group is a substructure subcontractor in Hong Kong capable of (i) foundation and site formation works, which mainly include ELS works, sheet piling, pipe piling, pre-boring, pre-bored H-piling, mini-piling, and bored piling; and (ii) other geotechnical engineering works such as slope works and other minor geotechnical works such as shotcreting.

For the nine months ended 30 September 2017, the Group recorded a net loss of approximately HK\$5.8 million as compared to a net profit of approximately HK\$9.2 million for the same period in 2016. The Directors are of the view that the net loss was primarily due to delays in work progress in some significant foundation projects which are pending approval from the relevant government departments on the construction designs, as well as the non-recurring listing expenses incurred during 2017. Set aside the listing expenses, the Group's net profit for the nine months ended 30 September 2017 would be approximately HK\$2.0 million. In view that the delayed projects are expected to commence works in late 2017, and that the net proceeds from the public offer of the Shares of the Company can expand the Group's operational capacity, the Directors are cautiously optimistic about the Group's business outlook.

Outlook

The Shares of the Company were listed on GEM on 27 June 2017 by way of public offer. The Group always strives to improve its operation efficiency and profitability of its business. The Group plans to expand its fleet of machinery and equipment, which enhance the basis of its technical capability to bid future projects. The Group will also proactively seek potential business opportunities that will broaden the sources of income and enhance value to the shareholders. The net proceeds from the public offer of the Shares thereby provide financial resources to the Group to meet and achieve its business opportunities and strategies which will further strengthen the Group's market position in foundation and site formation works and other geotechnical engineering works.

Financial Review

Revenue

The Group's revenue decreased by approximately 18.9% from approximately HK\$103.3 million for the nine months ended 30 September 2016 to approximately HK\$83.8 million for the nine months ended 30 September 2017, primarily due to delays in works progress in some of the Group's projects on hand caused by changes in designs which required re-assessment and/or approvals from the relevant government departments.

Costs of Sales

The Group's cost of sales for the nine months ended 30 September 2017 was approximately HK\$69.8 million, representing a decrease of approximately 15.6% from HK\$82.8 million for the nine months ended 30 September 2016.

Gross Profit and Gross Profit Margin

The Group's gross profit for the nine months ended 30 September 2017 were approximately HK\$14.0 million, representing a decrease of approximately 31.9% from approximately HK\$20.5 million for the nine months ended 30 September 2016. The Group's gross profit margin for the nine months ended 30 September 2017 was approximately 16.6%, representing a decrease of approximately 3.2% as compared to approximately 19.8% for nine months ended 30 September 2016. Such decrease was primarily due to (i) competitive project pricing arising from intense market competition; and (ii) as the Group was awarded with and undertook a contract of relatively larger contract sum during the nine months ended 30 September 2017, the Group was willing to bid at a lower profit margin as the project with larger contract sum could provide the Group a larger amount of profits.

Administrative and Other Operating Expenses

The Group's administrative and other operating expenses for the nine months ended 30 September 2017 were approximately HK\$17.8 million, representing an increase of approximately 94.8% from approximately HK\$9.1 million for the nine months ended 30 September 2016, primarily due to the non-recurring listing expenses incurred during the nine months ended 30 September 2017.

Listing Expenses

During the nine months ended 30 September 2017, the Group recognised non-recurring listing expenses under accrual basis of approximately HK\$7.7 million, as expenses in connection with the Listing on GEM.

Loss for the Period

For the nine months ended 30 September 2017, the Group recorded loss attributed to owners of the Company of approximately HK\$5.8 million as compared to profit for the nine months ended 30 September 2016 of approximately HK\$9.2 million. The loss was mainly attributable to the non-recurring listing expenses.

Set aside the listing expenses, the Group's net profit for the nine months ended 30 September 2017 would be approximately HK\$2.0 million.

Dividend

The Board does not recommend the payment of dividend for the nine months ended 30 September 2017.
