INTERIM RESULTS ANNOUNCEMENT
FOR THE SIX MONTHS ENDED 30 JUNE 2017

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)
OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK
EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

*This announcement, for which the directors (the “**Directors**”) of Basetrophy Group Holdings Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of the Stock Exchange for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this announcement misleading.*

1 General Information and Reorganisation

(a) General information

Basetrophy Group Holdings Limited (the “**Company**”) was incorporated in the Cayman Islands on 4 January 2016 as an exempted company with limited liability. Its parent and ultimate holding company is Brightly Ahead Limited (“**Brightly Ahead**”), a company incorporated in the British Virgin Islands (“**BVI**”) and wholly-owned by Mr. Lau Chung Ho (“**Mr. Lau**”) and Ms. Yuen Suk Har (“**Ms. Yuen**”), spouse of Mr. Lau, the controlling shareholder of the Company.

The registered office of the Company in the Cayman Islands is P.O. Box 1350, Clifton House, 75 Fort Street, Grand Cayman KY1-1108, Cayman Islands. The address of the principal place of business of the Company is Unit 18, 29th Floor, New Tech Plaza, 34 Tai Yau Street, San Po Kong, Kowloon, Hong Kong. The Company is an investment holding company. The Group is principally engaged in the provision of foundation and site formation works and other geotechnical engineering works as a substructure subcontractor (the “**Listing Business**”).

The shares of the Company (the “**Share(s)**”) were listed on GEM by way of public offer (the “**Listing**”) on 27 June 2017 (the “**Listing Date**”).

The interim condensed consolidated financial statements is presented in Hong Kong dollars (“**HK\$**”), unless otherwise stated.

(b) Reorganisation

Prior to the completion of the reorganisation (the “**Reorganisation**”) as described below, the Listing Business was carried out by Workbase Engineering Limited (“**Workbase Engineering**”), a company incorporated in Hong Kong (the “**Operating Company**”).

In preparation for the Listing on the GEM, the Group underwent the Reorganisation to transfer the Listing Business to the Company principally through the following steps:

- (i) On 20 November 2015, Wide View Enterprises Limited (“**Wide View**”) was incorporated in the BVI with limited liability. On 11 January 2016, one fully-paid ordinary share of Wide View, representing the entire issued share capital of Wide View, was allotted and issued at par to Brightly Ahead.
- (ii) On 4 January 2016, the Company was incorporated in the Cayman Islands with limited liability and with an authorised share capital of HK\$380,000 divided into 38,000,000 Shares. On the same date, one fully-paid Share was allotted and issued to the initial subscriber to the memorandum and articles of association of the Company, which was subsequently transferred to Brightly Ahead on 29 January 2016.

- (iii) On 12 September 2016, Wide View acquired the entire issued share capital of the Workbase Engineering from Mr. Lau and Ms. Yuen, in consideration of which Wide View allotted and issued 99 fully-paid shares in Wide View to Brightly Ahead.
- (iv) On 7 June 2017, the Company acquired the entire issued share capital of Wide View, in consideration of the Company allotted and issued 9,999 nil-paid Shares to Brightly Ahead.

Upon completion of the Reorganisation, the Company has become the holding company of Wide View and Workbase Engineering, and Brightly Ahead has become the shareholder of the entire issued share capital of the Company.

2 Basis of preparation and presentation

The interim condensed consolidated financial statements for the six months ended 30 June 2017 has been prepared in accordance with Hong Kong Accounting Standards (“**HKAS**”) 34, “Interim financial reporting” issued by the Hong Kong Institute of Certified Public Accountants (“**HKICPA**”) and the applicable disclosure provisions of the GEM Listing Rules. The interim condensed consolidated financial statements should be read in conjunction with the Company’s combined financial statements for the year ended 31 December 2016, which have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the HKICPA, as set out in the prospectus of the Company dated 14 June 2017 (the “**Prospectus**”).

The companies currently comprising the Group, were under the control of Mr. Lau and Ms. Yuen, immediately before and after the Reorganisation. For the purpose of the interim financial results, the financial results for the six months ended 30 June 2016 have been prepared on a combined basis.

Immediately prior to and after the Reorganisation, the Listing Business was carried out by the Operating Company. Pursuant to the Reorganisation, the Listing Business was transferred to and held by the Company. The Company has not been involved in any other business prior to the Reorganisation and does not meet the definition of a business. The transaction is merely a reorganisation of the Listing Business with no change in management and the controlling shareholders of the Listing Business (the “**Controlling Shareholder(s)**”). Accordingly, the combined financial statements of the companies now comprising the Group is presented using the carrying values of the Listing Business for all periods presented, as if the current group structure had been in existence throughout the periods or since the respective dates of establishments of the companies comprising the Group, whichever is earlier.

Inter-company transactions, balances and unrealised gains/(losses) on transactions between group companies are eliminated on consolidation.

3 Accounting policies

The preparation of financial statements in conformity with HKFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Group's accounting policies.

(a) The following new and amended standards have been adopted by the Group for the first time for the financial period beginning on or after 1 January 2017:

Annual Improvements Project (Amendments) – HKFRS 12	Annual Improvements 2014 – 2016 Cycle
HKAS 7 (Amendments)	Disclosure Initiative
HKAS 12 (Amendments)	Recognition of Deferred Tax Assets for Unrealised Losses

The adoption of the above HKFRSs did not have any significant financial impact on the unaudited condensed consolidated financial statements.

(b) The following new standards and revisions to standards have been issued, but are not effective for the financial year beginning 1 January 2017 and have not been early adopted by the Group:

Annual Improvements Project (Amendments) – HKFRS 1 and HKAS 28	Annual Improvements 2014 – 2016 Cycle ¹
HKFRS 2 (Amendments)	Classification and Measurement of Share-based Payment Transactions ¹
HKFRS 4 (Amendments)	Applying HKFRS 9 Financial Instruments with HKFRS 4 Insurance Contracts ¹
HKFRS 9	Financial Instruments ¹
HKFRS 15	Revenue from Contracts with Customers ¹
HKFRS 15 (Amendments)	Clarifications to HKFRS 15 ¹
HKAS 40 (Amendments)	Transfers of Investment Property ¹
HK (IFRIC) – Int 22	Foreign Currency Transactions and Advance Consideration ¹
HKFRS 16	Leases ²
HKFRS 10 and HKAS 28 (Amendments)	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture ³

¹ Effective for annual periods beginning on or after 1 January 2018.

² Effective for annual periods beginning on or after 1 January 2019.

³ Effective for annual periods beginning on or after a date to be determined.

The Group will apply the above HKFRSs when they become effective. The Group is in the process of making an assessment of the impact of the above HKFRSs.

4 Estimates

The preparation of interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing the interim condensed consolidated financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the combined financial statements for the year ended 31 December 2016.

5 Financial risk management and financial instruments

5.1 Financial risk factors

The Group's activities exposed it to a variety of financial risks: interest rate risk, credit risk and liquidity risk. The interim condensed consolidated financial statements do not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's combined financial statements as at 31 December 2016.

There have been no changes in the risk management policies since year end.

5.2 Liquidity risk

There have been no material changes to the policies and practices for the Group's liquidity and funding risks management as described in the combined financial statements for the year ended 31 December 2016.

5.3 Fair value estimation

As at 31 December 2016 and 30 June 2017, the Group did not have any financial assets or financial liabilities that are measured at fair value.

The carrying values of receivables and payables are a reasonable approximation of their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Company for similar financial instruments.

6 Revenue, other income and other gain and loss

The Group operates as a single operating segment. The single operating segment is reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segment, has been identified as the executive directors that make strategic decisions.

The Group is principally engaged in provision of foundation and related works, including site formation works and other geotechnical engineering works which are carried out in Hong Kong.

MANAGEMENT DISCUSSION AND ANALYSIS

Business Review

The Group is a substructure subcontractor in Hong Kong capable of (i) foundation and site formation works, which mainly include ELS works, sheet piling, pipe piling, pre-boring, pre-bored H-piling, mini-piling, and bored piling; and (ii) other geotechnical engineering works such as slope works and other minor geotechnical works such as shotcreting.

For the six months ended 30 June 2017, the Group recorded a net loss of approximately HK\$5.1 million as compared to a net profit of approximately HK\$6.2 million for the same period in 2016. The Directors are of the view that the net loss was primarily due to delays in works progress in some of the newly awarded foundation projects which are pending approval from the relevant government departments on the construction designs, as well as the non-recurring listing expenses incurred during 2017. Set aside the listing expenses, the Group's net profit for the six months ended 30 June 2017 would be approximately HK\$2.6 million. In view that there has been increasing number of project quotation invitations received by the Group from the potential customers, and that the net proceeds from the public offer of the Shares of the Company can expand the Group's operational capacity, the Directors are cautiously optimistic about the Group's business outlook.

Outlook

The Shares of the Company were listed on GEM on 27 June 2017 by way of public offer. The Group always strives to improve its operation efficiency and profitability of its business. The Group plan to expand its fleet of machinery and equipment, which enhance the basis of its technical capability to bid future projects. The Group will also proactively seek potential business opportunities that will broaden the sources of income and enhance value to the shareholders. The net proceeds from the public offer of the Shares thereby provide financial resources to the Group to meet and achieve its business opportunities and strategies which will further strengthen the Group's market position in foundation and site formation works and other geotechnical engineering works.
