INSIDE INFORMATION **JANUARY 2026 UNAUDITED BUSINESS UPDATE**

This announcement is made by Basetropy Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board of Directors (the “**Board**”) of the Company is pleased to announce certain business updates and relevant operating data of the Group for the month ended 31 January 2026 (the “**Relevant Period**”) (the “**Business Update**”).

JANUARY 2026 BUSINESS PERFORMANCE

During the Relevant Period, the sales business of Chenpi and Chinese liquor (baijiu) recorded sales of approximately RMB11,000,000, representing a month-on-month increase of over 200%. Given that the Group had not yet commenced sales of Chenpi related business during the corresponding period in 2025, the results performance for the Relevant Period not only marked the Group achieving a “breakthrough from zero” in the relevant emerging business sector, but also initially reflected the market acceptance of the relevant products and business model, laying a foundation for the Group’s subsequent orderly expansion of the relevant business.

BUSINESS DEVELOPMENT BACKGROUND AND STRATEGIC COOPERATION

The Board considers that such sales performance was primarily attributable to the strategic transformation measures actively implemented by the Group recently, the direction of which has been initially translated into actual business results during the Relevant Period. On 5 January 2026, the Company entered into separate strategic cooperation agreements with Guizhou Datang Chengtianxia Winery Co., Ltd.* (貴州大唐丞天下酒業有限公司) and Jiangmen Tujia Chenpi Food Co., Ltd.* (江門市圖佳陳皮食品有限公司), to actively promote the “dual-core development” strategy of Chinese liquor (baijiu) and agriculture (Chenpi) through complementary advantages and resource sharing.

The Group will continue to focus on the Chenpi and Chinese liquor (baijiu) related industries. Under the premise of prudent risk management, the Group will promote product standardization, brand building and channel construction in an orderly manner, and support the sustainable and medium-to-long-term development of its business through deepening industrial coordination and optimizing resource allocation.

In addition, the Board believes that Mr. Chen Ping (“**Mr. Chen**”), the co-chairman and an executive Director of the Company, by virtue of his industry expertise and professional leadership as the president of the “China Chenpi Association of Hong Kong (香港中國陳皮協會)”, has successfully guided the Group to capture the opportunities in the industry, provided that such positions held by Mr. Chen do not in themselves constitute any specific commitment to the business of the Group. The Business Update fully demonstrates the Group’s determination to optimize the industrial value chain and is expected to create long-term value for the Company and its Shareholders.

The Board wishes to remind the Shareholders and potential investors of the Company that the Business Update and the information contained in this announcement are based on the preliminary statistics of the unaudited management accounts of the Group and the preliminary assessment of the business and operation of the Group. Such information has not been audited or reviewed by the Company’s auditor and may differ from the figures to be disclosed in the subsequent audited or unaudited consolidated financial statements to be published by the Company.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
